You will receive an **ACTIVATION MAIL** (please also check SPAM) – in the mail you click **ACTIVATE** or **copy the link in the mail to your browser** to activate the account.

After activation you can **LOGIN** with your mail and password you selected with your registration.

For entering your data to the system, you go to **MY PROFILE – MY DATA**:

You enter the data circled in the printscreen below to the system (leave everything else empty!). In the field PROVINCE you should write your city of residence if your country doesn't have provinces.

If you have a registered Kennel Name, please write it in the field AFFIX FCI recognised and click **SAVE**.

If you don't have a Kennel name registered, but you would like to enter a breeding group to the Show – please write your LAST NAME in the field Affix, so the owners of the dogs can allow their dogs to be entered in the breeding group to your name!
